Hi Rick,

Here's a word copy of the main body of the report you can use. It includes everything except for a couple appendices (photos and Water Compliance Inspection Report). Let me know if you need anything else.

Sincerely,

Stephanie DeJong

Stephanie,

I had our print shop scan the original report, but it does not allow us to cut and paste sections necessary for us to prepare our response to you. Would you please forward me an electronic version. If the size prevents you from sending it in one email, multiple e-mails would be acceptable.

Thanks for your patience.
